

Key Worker Parents

The majority of West Street children are learning from home. This means that teachers' priority is delivering online learning throughout the school day.

Teams of teaching assistants are supporting children with online learning in school. In school provision is limited to Key Worker children and Vulnerable children. We are following the government's definition of Vulnerable children so these children are easy for us to identify.

In order to plan our provision for Key Worker children please can you complete this form and return by email as soon as possible to

head@weststreet.lancs.sch.uk

Many thanks

Sarah Watson (Headteacher)

For children whose parents are Key Workers please can you provide the following information:

Your child/children's names: (only one form per family required)

Are both parents key workers?

YES / NO (please delete as necessary)

Please give details of your Key Worker job (be as specific as possible):

Parent 1:
