	Well done <b>Alishba</b> - you have really worked hard and demonstrated great resilience when completing tasks on Google Classroom

**GREAT JOB - YOU have earned 10 dojos!**

**WELL DONE EVERYBODY!**

Children, parents and school staff have worked really hard to adjust to online learning this week.

When parents need help with accessing and using online learning, the best person to contact is your child's teacher.

The easiest/quickest way of doing this is either by sending an email OR a message on the class dojo page.

### **URGENT!**

The Department for (DfE) are trying to provide laptops and tablets to primary school children who need them at home during this lockdown.

Please respond to the request for information published on all class dojo pages. We need to know how many devices you have at home and what they are (laptop, desktop, tablet, phone). Then we can order what is needed from the DfE. They have told us that they will be getting in touch with primary schools this week.

Please could you also tell us how you access the internet. Is it through home broadband or mobile data (3G/4G)? Again, respond to the questions on class dojo pages.

It is important that we know as soon as possible by Monday morning. When we have your information Mr Smith can apply for any devices as well as extra data or wireless dongles. Both of these will make online learning at home both easier and cheaper.
