### WELL DONE, KEEP GOING!

That's two weeks of online learning completed!

Well done again to all children, parents and teachers for engaging so proactively with this relatively new experience.

Remember when you need some help your first point of contact is your child's teacher. The best way of contacting the teacher is by email or message on the class dojo page.

The beautiful thing  
about learning  
is nobody can take it away  
from you.
